BELGIUM

---

**TEXROPE Industrial Belts, hereby certifies that  
the belts Texrope ® VP2, HFX and S 84  
are made with special compound resistant to oil and heat, ozone, sunlight, weather and ageing.  
Furthermore, the belts are designed to meet ISO 1813 - 1998 standard regarding static conductivity.  
All\* are length-stable and therefor can be installed without additional matching.**
